Trần Nguyễn Nam Thuận

Fresher Web Developer

📞 0945924240 ✉ trannguyennamthuan@gmail.com 🔗 https://www.facebook.com/trannguyen.namthuan.5/

📍 Ấp 3, Long Hòa, Cần Đước, Long An

OBJECTIVE

As a recent graduate with a solid foundation in software development, I am seeking an opportunity as a Fresher Developer to apply my knowledge and grow through real-world projects. My short-term goal is to strengthen my programming skills, gain hands-on experience with large-scale systems, and contribute to developing innovative solutions. In the long run, I aim to continuously improve my expertise, collaborate with professionals, and create impactful applications that bring sustainable value to the community.

EDUCATION

FPT Can Tho University (Cohort 16)   *2021 - 2025*

Software Engineering/NodeJS-ReactJS

Result: Graduated with Certificate of Academic Very Good GPA: 3.75/4.0

Tran Van Giau High School for the Gifted (Cohort 18)   2018 - 2021

Specialized in Physics

Result: Very Good Student

ACADEMIC PROJECT

Stiktify Social Project   2024 - 2025

Built a music-oriented social networking website using NestJS (backend) and NextJS (frontend).

GitHub: https://github.com/thuan223/Stiktify-backend.git, https://github.com/thuan223/Stiktify-frontend.git

Bakery Online Shopping Project   *2023 - 2024*

Developed a mobile application for online bakery shopping using React Native.

GitHub: https://github.com/thuan223/prm-sweetbite.git

Sudoku Game Project   *4/2023 - 8/2023*

Built a simple Sudoku game using Java.

ACTIVITIES

F-Art Club   *2023 - Present*

Member

Purpose: Acquire knowledge in the field of graphics design."

Techycetera Club   *2022 - Present*

Member

Activities: Building small Web and App projects.

Javalorant Fanpage   *2022 - 2024*

Content Creator Member

Sharing and contributing knowledge about software engineering expertise.

CERTIFICATIONS

User Experience Research and Design	**January 10, 2025**
Project Management Principles and Practices	**September 6, 2024**
Software Development Lifecycle (Coursera course)	**October 20, 2023**
Web Design for Everybody: Basics of Web Development & Coding (Coursera course)	**August 6, 2023**
PROJECT MANAGEMENT (Workshops at FPT Campus)	**May 2023**
WORKSHOP WINDOWS SERVER (Workshops at FPT Campus)	**December 2022**

HONORS & AWARDS

Graduated with Certificate of Academic Very Good- FPT Can Tho University	2025

SKILLS

Programming & Development	**JavaScript / TypeScript** – Full-stack web and mobile app development. **React Native** – Cross-platform mobile app development. **NextJS** – Server-side rendering and scalable web apps. **NestJS** – Backend development with RESTful APIs. **Java** – Object-Oriented Programming and game/application development. **SQL / MySQL / MongoDB** – Database design and management (relational & NoSQL).
Tools & Technologies	**Git / GitHub** – Version control and collaboration. **Postman** – API testing and debugging. **Google Colab** – Experimenting with AI/ML models and data analysis. **Figma** – UI/UX design and prototyping
Soft Skills	**Documentation Reading & Utilization** – Ability to understand and apply technical documents effectively. **Research Skills** – Strong ability to explore new technologies and implement them in projects. **Teamwork & Collaboration** – Worked on multi-member academic projects. **Problem-Solving** – Logical and analytical thinking for development tasks. **Time Management** – Delivering projects within deadlines.
